It was something black...

Something tall and black...

Something very tall and very black and very thin.

Making Notes and Highlighting

CHAPTER ONE

DEFINE

HIGHLIGHT

SEARCH

Fort McMurray, Alberta, Canada

Less than an hour ago, I was Adam, the long-distance runner. Now I'm Adam, the boy who ...

I can't even bring myself to say it.

The car engine dies, and I realize that we are in the garage, yet I have no recollection of the drive home from Dr. Miller's office.

I stare through the windshield. The walls of the garage swim around me. My thoughts won't move past

The reader can highlight, make notes, define and search for words.

Highlights are then stored on the "home page"

„Ale tego dnia nic nie wydawało się niezwykle w pracy?”

„Nie, że jestem świadomy. Wydawał się w porządku. Policja też mnie o to pytała, powiedziałem im to samo.
